COURSE CATALOG

Little Foodies/Master Chef Jr. students learn kitchen skills, tastes, and more!

Capoeira brings Portuguese language to life with arts/movement/music from Brazil!

Athletics & Fitness Circuit is a safe space for building sports and fitness skills for all levels of athletes!

Technology (Coding/Robotics) using the latest programming software and cutting edge robotics curriculum from Virtual Maker University, students create and explore the world of STEM!

Animation and Filmmaking is where 2D, 3D, Claymation, Stop Motion, and more creativity comes to life on screen & behind the scenes from design to editing and production!

Theater/Improv challenges the most inward creativity to rise to the surface for one-of-a-kind performances in front of an audience of peers and families!

Strategy Games and the world of role playing and table top games pairs fantasy with reality while kids play Dungeons and Dragons and more for hours of fun!

Chess pairs the ultimate skill building with game play. For fun or competition!

Debate Club for upper school students to channel their best ideas and opinions to a structured and fun arena!

Swimming with our partners Physique Swim! Students chaperoned to the pool at Lehman Prep (group or individual lessons & fun) *prices at physiqueswimming.com* with Quad support the entire evening. Pickup from pool or back at campus!

MORE FROM TQM

*round out your child's after school experience with these
1:1 sessions and programs starting at \$115/hr*

Acting Coaching: Join a Quad 2e Theater Specialist for private lessons to prepare for upcoming auditions or create master works for your child's portfolio

Piano and Vocal Lessons: Master Musician Blake Brauer hosts private sessions in the McFadden Music Room after school with children looking to fine "tune" their musical talent!

Foreign Language: Learn another language during the after school hours with our 1:1 tutors specializing in Italian, French, and Spanish.

Other Talent Sessions: Don't see your child's interest listed here? Inquire today to set up private lessons in ANY of our talent development specialties!

Half-day Camps: Join TQM leaders in talent development for 2e students on school holidays when coverage is needed! Inquire today about Spring Semester dates and to reserve your child's spot!

Summer Program: Since 2009, TQM has brought the highest level of summer programming for 2e students across the world. Check out our website for updates and how to register for summer 2022!

Since 2013, The Quad Manhattan's After School Program for Quad Prep students is specifically designed to include a 2:1 Student-to-Teacher ratio of supported talent development and reinforcement of social/emotional skills, monthly email correspondence, regular consult w/ Quad Prep clinicians, twice per semester individual progress notes, and more! Each afternoon includes recreational room time for homework help and hang out before class starts!
